ARTICLE 2 PURCHASE OF SHARES AND OTHER ASSETS

Section 2.1. *Purchase and Sale of the Shares and Other Purchased Assets.* Under the terms and subject to the conditions set forth in this Agreement, the Company agrees to sell, assign and transfer to the Purchaser, free and clear of all Encumbrances (other than Permitted Encumbrances), and the Purchaser agrees to purchase from the Company, on the Closing Date, effective as of and from the Closing, (a) all of the Shares, and (b) all right, title and interest of the Company in and to the assets set forth on Section 2.1 of the Disclosure Schedule (the “**Other Purchased Assets**”).

Section 2.2. *Assumption of the Assumed Liabilities.* On the terms and subject to the conditions set forth in this Agreement, the Purchaser shall, on the Closing Date, effective as of the Closing, assume and agree to pay, discharge and perform in accordance with their terms (or as otherwise provided herein) the following Liabilities of the Company (collectively, the “**Assumed Liabilities**”): (a) any and all Liabilities arising out of, relating to or otherwise in respect of the ownership, use, sale, license or operation of the Shares and Other Purchased Assets for the period on or after the Closing; and (b) all Taxes for which the Purchaser is liable pursuant to this Agreement, including the Transfer Taxes as set forth in Section 5.15 and Taxes allocated to Purchaser pursuant to Section 5.10.

Section 2.3. *Consideration.* The aggregate amount payable to the Company for the acquisition of the Shares and the Other Purchased Assets will be \$2,000,000 (the “**Purchase Price**”) and the assumption of the Assumed Liabilities, which shall, subject to the terms and conditions hereof, be payable, as set forth in Section 2.5, at the Closing.

Section 2.4. *Purchase Price Deposit.*

(a) Within two Business Days following the execution of this Agreement, the Purchaser shall deposit or cause to be deposited with the Escrow Agent immediately available funds in an amount equal to \$200,000 (the “**Deposit Amount**”). The Deposit Amount (and any other Escrow Funds) will be either delivered to the Purchaser or paid to the Company as follows: (i) if the Closing occurs, the Deposit Amount and all other Escrow Funds shall be applied towards the Purchase Price payable by the Purchaser, (ii) if this Agreement is terminated by the Company pursuant to Section 6.5(b)(iii) (an “**Applicable Termination**”), then the Company and the Purchaser shall promptly submit joint written instructions to the Escrow Agent to release the Deposit Amount and all other Escrow Funds to the Company (and such Deposit Amount and such other Escrow Funds will be deemed fully earned by the Company as compensation and consideration for entering into this Agreement), or (iii) if this Agreement is terminated for any reason other than an Applicable Termination, then the Company and the Purchaser shall promptly

submit joint written instructions to the Escrow Agent to release the Deposit Amount and all other Escrow Funds to the Purchaser.

(b) The parties acknowledge that the agreements contained in this Section 2.4 are an integral part of the Contemplated Transactions, that the damages resulting from termination of this Agreement under circumstances where the Company is entitled to the Escrow Funds are uncertain and incapable of accurate calculation and that the delivery of the Escrow Funds is not a penalty but rather shall constitute liquidated damages in a reasonable amount that will compensate the Company in the circumstances where the Company is entitled to the Escrow Funds for the efforts and resources expended and opportunities forgone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Contemplated Transactions, and that, without these agreements, the Company would not enter into this Agreement. If the Purchaser fails to take any action necessary to cause the delivery of the Escrow Funds to the Company pursuant to the terms of this Agreement under circumstances where the Company is entitled to the Escrow Funds and, in order to obtain such Escrow Funds, the Company commences a Proceeding or files a motion which results in an Order in favor of the Company, the Purchaser shall pay to the Company an amount in cash equal to the costs and expenses (including attorney's fees) incurred by the Company in connection therewith.

Section 2.5. *Closing Payments.* At or prior to the Closing, the Purchaser shall pay the Purchase Price (less the Deposit Amount and all other Escrow Funds applied towards the Purchase Price pursuant to Section 2.4(a)) to the Company in cash by wire transfer of immediately available funds to an account or accounts designated by the Company in writing at least three (3) Business Days prior to the Closing Date. In connection with the foregoing, the Purchaser and the Company shall submit joint written instructions to the Escrow Agent on or prior to the Closing Date to release the Deposit Amount and all other Escrow Funds to the Company at the Closing or as soon as reasonably practicable thereafter, but in no event later than three (3) Business Days after the Closing.

Section 2.6. *Withholding.* Notwithstanding anything in this Agreement to the contrary, the Purchaser shall be entitled to deduct and withhold from any amount (or portion thereof) payable under this Agreement such Taxes as are required to be deducted and withheld from such amount under the Code or any other applicable provision of U.S. or foreign Tax Legal Requirements. To the extent that the Purchaser intends to withhold any such amounts from the Purchase Price, it shall notify the Company of such intention as soon as reasonably possible after the date hereof and shall provide the Company with an opportunity to provide forms or evidence that would exempt or reduce such amounts from withholding and shall otherwise cooperate in good faith with the Company and use reasonable best efforts to minimize or eliminate any such deductions or withholdings. To the extent that any amounts are so deducted and withheld and timely paid to the applicable Governmental Authority, such deducted and withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

ARTICLE 4

REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby makes the following representations and warranties to the Company as of the date of this Agreement and as of the Closing Date; provided, that those representations and warranties which address matters only as of a particular earlier date shall have been true and correct only as of such date.

Section 4.1. *Authority; Non-contravention.*

(a) Subject to the entry of the Sale Order and any other Consents of the Bankruptcy Court, (i) the Purchaser has the power and authority to enter into this Agreement and to carry out his obligations hereunder, including the consummation of the Sale and the other Contemplated Transactions, and (ii) this Agreement and all other documents, instruments and agreements required to be executed and delivered by the Purchaser pursuant to this Agreement have been duly executed and delivered by the Purchaser and (assuming due authorization, execution and delivery by the Company) constitute a legal, valid and binding obligation of the Purchaser, enforceable against the Purchaser in accordance with their respective terms, except for the Enforceability Exceptions.

(b) Subject to the entry of the Sale Order and any other Consents of the Bankruptcy Court, assuming (i) all the Purchaser Required Approvals are obtained, and (ii) any filings required by any applicable federal or state securities or “blue sky” Legal Requirements are made, neither the execution and delivery of this Agreement, nor the completion and performance of the Contemplated Transactions, will, with or without the giving of notice or the lapse of time or both, (A) violate any Legal Requirements applicable to the Purchaser or his Affiliates, or (B) result in a breach of or default under, require Consent under, or violate any material Contract which the Purchaser is a party to or its assets or property is bound by, except for any such violation, breach,

default, or Consent that would not reasonably be expected to, individually or in the aggregate, prevent, materially delay or materially impair the Purchaser's ability to consummate the Contemplated Transactions.

Section 4.2. *Governmental Consents.* Except for the entry of the Sale Order and the Consents listed in Section 4.2 of the Disclosure Schedule (collectively, the “**Purchaser Required Approvals**”), assuming that any filings required by any applicable federal or state securities or “blue sky” Legal Requirements are made, no Consents to, with or by any Governmental Authority are necessary on the part of the Purchaser or his Affiliates in connection with the execution and delivery by the Purchaser of this Agreement and the consummation by the Purchaser of the Contemplated Transactions. Neither the Purchaser nor any of his Affiliates has received any indication from any Governmental Authority that such Governmental Authority would oppose or refuse to grant a Purchaser Required Approval or otherwise knows of any reason why any of the Purchaser Required Approvals will not be obtained or that any of the Purchaser Required Approvals will not be timely granted without imposition of a Burdensome Condition.

Section 4.3. *Investment Intent.* The Purchaser acknowledges that the Shares being acquired pursuant to this Agreement have not been registered under the Securities Act or any state or foreign securities Legal Requirements, and that the Shares may not be sold, transferred, assigned, offered for sale, pledged, hypothecated or otherwise disposed of unless such sale, transfer, assignment, offer for sale, pledge, hypothecation or other disposition is completed pursuant to the terms of an effective registration under the Securities Act and in compliance with any applicable state and foreign securities Legal Requirements, or pursuant to an applicable exemption from registration under the Securities Act and applicable state or foreign securities Legal Requirements. The Purchaser is purchasing the Shares for its own account and not with a view to any public resale or other distribution thereof, except in compliance with applicable securities Laws. The Purchaser is an “accredited investor” as defined in Regulation D under the Securities Act.

Section 4.4. *Compliance with Law.* As of the date hereof, (i) the Purchaser and each of his Affiliates is in compliance with all Legal Requirements and (ii) to the knowledge of the Purchaser, there is no written notice received by the Purchaser or any of his Affiliates from any Governmental Authority alleging any non-compliance of the Purchaser or any of his Affiliates of any Legal Requirements, except, in each case of clauses (i) and (ii), as would not reasonably be expected to, individually or in the aggregate, prevent, materially delay or materially impair the Purchaser's ability to consummate the Contemplated Transactions. Neither the Purchaser nor any of his Affiliates has received any notice or has any knowledge of any planned or threatened objection by any community group to the Contemplated Transactions.

Section 4.5. *Available Funds.* The Purchaser has, and at the Closing will have, cash on hand sufficient to satisfy all of its obligations under this Agreement and to consummate the Contemplated Transactions, including payment of the Purchase Price pursuant to this Agreement and any related fees, costs and expenses incurred by the Purchaser or his Affiliates in connection with the Contemplated Transactions.

Section 4.6. *Litigation.* There are no current, pending or threatened Proceedings against or relating to the Purchaser or his Affiliates that would reasonably be expected to, individually or

in the aggregate, prevent, materially delay or materially impair the Purchaser's ability to consummate the Contemplated Transactions. There is no Order or other regulatory restriction imposed upon or relating to the Purchaser or his Affiliates that would reasonably be expected to, individually or in the aggregate, prevent, materially delay or materially impair the Purchaser's ability to consummate the Contemplated Transactions.

Section 4.7. *Solvency.* The Purchaser is not entering into this Agreement or the Contemplated Transactions with the intent to hinder, delay or defraud either present or future creditors. After giving effect to the Contemplated Transactions, at and immediately after the Closing, the Purchaser (a) will be solvent (in that both the fair value of its assets will not be less than the sum of his debts and that the present fair salable value of his assets will not be less than the amount required to pay his probable Liabilities on his existing debts as they mature or become due), (b) will have adequate capital and liquidity with which to engage in his businesses, and (c) will not have incurred and does not plan to incur debts beyond his ability to pay as they mature or become due.

Section 4.8. *Money Laundering; Unlawful Payments.* Neither the Purchaser nor any of his Affiliates is operating in violation of the Bank Secrecy Act, the USA PATRIOT Act, any Order issued with respect to anti-money laundering by the U.S. Department of the Treasury's Office of Foreign Assets Control, or any other anti-money laundering Legal Requirements or any license issued with respect to economic sanctions programs by the U.S. Department of the Treasury's Office of Foreign Assets Control, and to the knowledge of the Purchaser, neither the Purchaser nor any of his Affiliates is under investigation with respect to, or has been, during the one-year period prior to the date of this Agreement, threatened in writing to be charged with or given written notice of any violation of any of the foregoing.

Section 4.9. *Qualification.* To the knowledge of the Purchaser, there exist no facts or circumstances that would cause, or be reasonably expected to cause, the Purchaser or any of his Affiliates not to qualify as a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

Section 4.10. *Brokers.* Neither the Purchaser nor any of his Affiliates nor any of their directors, officers, shareholders or employees has or will have any commitment or Liability to pay any fees or commissions to any broker, finder or agent with respect to the Contemplated Transactions.

Section 4.11. *Independent Investigation; Acknowledgements and Confirmations.*

(a) The Purchaser has conducted to its satisfaction its own independent review and analysis of, and based thereon has formed an independent judgment concerning, the Contemplated Transactions, the Shares, the Other Purchased Assets, the Assumed Liabilities and the assets, properties, Liabilities, condition (financial or otherwise), operations and prospects of the Bank or the Business. In entering into this Agreement and any other documents, instruments or agreements executed or delivered in connection herewith or therewith, the Purchaser has relied solely upon its own review and analysis and the representations and warranties made by the Company expressly set forth in Article 3 and not on any other representations, warranties, statements or omissions (whether by the Company, the Bank or any other Person). The Purchaser confirms that the Company and the Bank have made available to the Purchaser and the Purchaser's

Representatives such opportunity to ask questions of the personnel of the Company and the Bank, as well as such access to the personnel, offices, properties and books and records of the Business, the Bank, the Other Purchased Assets and the Assumed Liabilities as deemed appropriate by the Purchaser in connection with its determination to enter into this Agreement and any other documents, instruments or agreements executed or delivered in connection herewith or therewith, and to consummate the Contemplated Transactions. The Purchaser is knowledgeable about the industries in which the Business is conducted, is capable of evaluating the merits and risks of the Contemplated Transactions and is able to bear the substantial economic risk of such investment for an indefinite period of time. The Purchaser does not have any knowledge of any breach or inaccuracy of the representations and warranties made by the Company in this Agreement or of any material errors in, or material omissions from, the Disclosure Schedule.

(b) Without limiting the generality of Section 4.11(a), the Purchaser acknowledges and agrees that, except as expressly set forth in Article 3, neither the Company, the Bank nor any other Person makes, and that the Purchaser has not relied on, any other representation or warranty, express or implied, at law or in equity, with respect to the Company, the Bank, any of their respective Affiliates or the Representatives of the foregoing Persons, as well as the assets, properties, Liabilities, condition (financial or otherwise), business, operations or prospects of any of the foregoing Persons, the Shares, the Other Purchased Assets, the Assumed Liabilities and the Business, including with respect to (i) merchantability or fitness for any particular purpose, (ii) non-infringement, (iii) operation of the Business, the Bank, the Other Purchased Assets or the Assumed Liabilities after the Closing, (iv) the probable success or profitability of the Business, the Bank, the Other Purchased Assets or the Assumed Liabilities after the Closing, or (v) the accuracy or completeness of any information, documents or materials furnished or made available to the Purchaser, his Affiliates or their respective Representatives in connection with the Contemplated Transactions, whether in any confidential information memorandum or presentation, teasers, process letters, “virtual data room,” management presentation or otherwise, whether oral or in writing, including any projections, predictions, forecasts, estimates, plans or budgets of future revenues, expenses or expenditures, future results of operations (or any component thereof), future cash flows (or any component thereof) or future financial or regulatory condition (or any component thereof) relating to the Bank or the Business. In furtherance of the foregoing, the Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser’s Related Parties, that (A) such predictions, forecasts or estimates are being provided solely for the convenience of the Purchaser to facilitate its own independent investigation of the Bank, the Business, the Shares, the Other Purchased Assets and the Assumed Liabilities, (B) there are uncertainties inherent in attempting to make such projections or forecasts and the Purchaser is familiar with such uncertainties, and (C) the Purchaser is taking full responsibility for making its own evaluation of the adequacy and accuracy of all projections or forecasts (including the reasonableness of the underlying assumptions).

ARTICLE 5

Notwithstanding anything to the contrary in this Agreement, neither the Company nor the Bank shall be required to provide access to or disclose any information to the Purchaser or its

Representatives if such access or disclosure (A) is prohibited pursuant to the terms of any confidentiality obligations to a Third Party (including with respect to confidential supervisory information), (B) would violate Legal Requirements, or (C) would adversely affect any attorney-client or other legal privilege (such limitations in clauses (A), (B) or (C), the “**Disclosure Limitations**”); provided, that the parties shall reasonably cooperate in seeking to find a way to allow disclosure of such information to the extent doing so would not (in the good faith belief of the Company after consultation with outside counsel) constitute a Disclosure Limitation. Notwithstanding the foregoing, the Purchaser shall not have the right to conduct invasive environmental investigation of any kind, or conduct any structural evaluation of any kind, including in the form of soil and groundwater sampling, on any Leased Real Properties or Owned Real Property.

(b) Any and all information provided or made available to the Purchaser and its Representatives pursuant to or in connection with this Agreement shall be used solely for the purpose of effecting the Contemplated Transactions and shall be treated as “Confidential Information” as defined in the Confidentiality Agreement and subject to all of the terms of the Confidentiality Agreement, the provisions of which are hereby incorporated into this Agreement and acknowledged by the parties as a continuing obligation in accordance with its terms.

(c) From and after the Closing, until the closing of the Bankruptcy Case, the Purchaser shall provide the Company and its Representatives reasonable access, during normal business hours and upon reasonable advance notice, to the extent any such access would not unduly interfere with the normal operations of the Bank or the Business, to the facilities, personnel, the books and records or other relevant documents, including data, work papers, schedules, memoranda and other documents (including for the purpose of examining and copying) of the Bank, the Business, the Other Purchased Assets or the Assumed Liabilities with respect to periods, events or occurrences prior to the Closing Date, for the purposes of (i) complying with Legal Requirements or any other requirements of any Governmental Authority, including the Bankruptcy Court, (ii) the closing of the Bankruptcy Case and the wind-down of the Company’s estate, if applicable (including reconciliation of claims and preparation of Tax Returns or other Tax Proceedings and the functions of any trusts established under a Chapter 11 plan of the Company or any other successors of the Company), or (iii) other reasonable business purposes, in each case, subject to the Disclosure Limitations, provided, that the parties shall reasonably cooperate in seeking to find a way to allow access or disclosure of such information to the extent doing so would not (in the good faith belief of the Purchaser after consultation with outside counsel) constitute a Disclosure Limitation. Unless otherwise consented to in writing by the Company, the Purchaser shall not, for a period of seven (7) years following the Closing Date, destroy, alter or otherwise dispose of any of such books and records or other relevant documents without first offering to surrender to the Company such books and records or any portion thereof that the Purchaser may intend to destroy, alter or discard. Notwithstanding anything to the contrary contained herein, the Purchaser acknowledges that the Company has the right to retain originals or copies of all books and records related to the Bank, the Business, the Other Purchased Assets or the Assumed Liabilities with respect to periods, events, or occurrences prior to the Closing Date.

Section 5.3. *Transition Services Agreement.* At or prior to the Closing, the Parties shall enter into a transition services agreement substantially in the form set forth on Exhibit A attached hereto (the “**Transition Services Agreement**”), pursuant to which the Purchaser shall and shall

cause the Bank to provide certain services to the Company, at the sole cost of the Bank, with respect to the Bankruptcy Case and the wind-down and/or dissolution of the Company and its estate.

Section 5.4. *Consents and Approvals.*

(a) Each party shall and shall cause their respective Affiliates to, use their respective reasonable best efforts to prepare all documentation, to effect all applications, notices, registrations, and filings and to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper, or advisable to consummate the Contemplated Transactions as soon as practicable, including obtaining all Consents from any Governmental Authority necessary or advisable to be obtained by it, or its Subsidiaries or Affiliates in order to consummate the Contemplated Transactions, including the Purchaser Required Approvals, and the Purchaser shall use reasonable best efforts to obtain each such Consent as promptly as reasonably practicable and shall not, and shall cause its Affiliates not to, knowingly take any action that would be expected to have the effect of denying, withdrawing or materially delaying or conditioning any such Consent. In furtherance of the foregoing, as soon as reasonably practicable following the date hereof, and in no event later than December 26, 2025 (which date may be extended by the Company in its sole discretion), the Purchaser shall prepare and file any and all applications, notices, registrations and filings required with respect to each of the Purchaser Required Approvals.

(b) The parties shall reasonably coordinate and cooperate with each other in exchanging and providing such information as necessary to carry out the efforts set forth in Section 5.4(a). After the date hereof and prior to the Closing or earlier termination of this Agreement, each party shall (i) have the right to review in advance, and to the extent practicable consult with the other party with respect to the non-confidential portion of any filings or submissions with any Governmental Authority with respect to the Contemplated Transactions and (ii) promptly inform the other party of (1) any and all substantive, non-confidential written communications from any Governmental Authority regarding the Contemplated Transactions and (2) any and all communications from the OCC indicating that, in the reasonable belief of such party, there is a reasonable likelihood that the Purchaser Required Approvals may be delayed or may not be obtained. Notwithstanding anything to the contrary contained herein, this Section 5.4(b) shall not apply to any communication, filing or submission by the Company, the Bank or their respective Representatives with the Bankruptcy Court.

(c) In furtherance and not in limitation of the foregoing, the Purchaser shall use its reasonable best efforts to respond to any request for information, resolve any objection that may be asserted by any Governmental Authority with respect to this Agreement or the Contemplated Transactions. Notwithstanding anything to the contrary contained herein, nothing contained in this Agreement shall be deemed to require the Purchaser or the Company or any of their respective Affiliates to take any action, or commit to take any action, or agree to any condition or restriction, in connection with obtaining the foregoing Consents of any Governmental Authority, that would reasonably be expected to have a Material Adverse Effect on the Bank, the Purchaser and their respective Affiliates, taken as a whole, after giving effect to the Contemplated Transactions (a “**Burdensome Condition**”). Notwithstanding the foregoing, at the written request of Purchaser, the Company shall cause the Bank to agree to take any action that would constitute a Burdensome Condition so long as such action is conditioned upon the occurrence of the Closing.

(d) Any filing fees in connection with the making or obtaining of any Consents pursuant to this Section 5.4, including the Purchaser Required Approvals, shall be borne by the Purchaser. Notwithstanding anything herein to the contrary, this Section 5.4 shall not apply to any communication, filing or submission by the Company, the Bank or their respective Representatives with the Bankruptcy Court.

(e) The parties agree to cooperate in good faith in connection with providing notice to or obtaining any consent from any Person other than a Governmental Authority that is necessary or advisable in connection with the Contemplated Transactions; provided that, in no event shall the Company be required to make any payment, make, undertake or amend any commitment to any such Person, or waive any rights of the Company or its Affiliates, in each case, in order to provide such notice or obtain any such consent.

Section 5.5. Indemnification; D&O Insurance; D&O Tail Coverage.

(a) From and after the Closing Date, the Purchaser shall cause the Bank to, to the fullest extent provided by Legal Requirements, indemnify, defend and hold harmless each present and former officer, director or employee of the Bank (the “**D&O Indemnified Parties**”), and shall advance expenses to such D&O Indemnified Parties as incurred, with respect to all costs, expenses, Proceedings, judgments, fines, losses, damages, Taxes, penalties or other Liabilities to the extent arising out of (i) the fact that such D&O Indemnified Party was an officer, director or employee of the Bank, or (ii) acts or omissions prior to the Closing in such Person’s capacity as an officer, director or employee of the Bank, to the same extent as such D&O Indemnified Parties are entitled to be indemnified pursuant to the applicable Charter Documents of the Bank in effect as of the date of this Agreement, or otherwise arising by operation of any Legal Requirements in effect as of the date of this Agreement. For a period of six (6) years from the Closing Date, the Purchaser shall not, and shall cause the Bank not to, amend, repeal or otherwise modify any exculpation, indemnification, advancement of expenses or insurance coverage provisions of the applicable Charter Documents of the Bank in effect as of the date of this Agreement for the benefit of the D&O Indemnified Parties in any manner that could adversely affect the rights thereunder of any of the D&O Indemnified Parties relating to any acts or omissions prior to the Closing.

(b) At or prior to the Closing, the Purchaser shall cause the D&O Indemnified Parties covered by the directors’ and officers’ liability insurance policy maintained by the Bank and in effect immediately prior to the Closing (the “**D&O Policy**”) to continue to be covered by the D&O Policy for a period of six (6) years after the Closing (provided, that the Purchaser may substitute therefor policies of at least the same coverage and amounts containing terms and conditions which are no less advantageous in any aspects to the insured) with respect to claims arising from facts, events, acts or omissions which occurred at or prior to the Closing; provided, that the Purchaser shall not be required to expend on an annual basis more than 200% of the current annual premium paid as of the date of this Agreement by the Company or the Bank for such insurance (the “**Premium Cap**”), and if such premiums for such insurance would at any time exceed the Premium Cap, the Purchaser shall cause to be maintained policies of insurance which, in the Purchaser’s good faith determination, provide the maximum coverage available at an annual premium equal to the Premium Cap. In lieu of the foregoing, with the prior written consent of the Purchaser, the Bank may, at or prior to the Closing, at the Purchaser’s cost obtain a six-year “tail” policy under the D&O Policy providing equivalent coverage to that described in the preceding

sentence if and to the extent that the same may be obtained for an aggregate one-time premium payment that does not exceed the Premium Cap.

(c) The rights of each D&O Indemnified Party under this Section 5.5 shall be in addition to, and not in limitation of, any other rights such Person may have under the Charter Documents of the Bank, or under any other applicable Contracts or Legal Requirements or any other remedy to which such Person is entitled at law, in equity or otherwise. The provisions of this Section 5.5 shall survive the Closing and expressly are intended to benefit, and are enforceable by, each of the D&O Indemnified Parties, each of whom is an intended third-party beneficiary of this Section 5.5.

(d) In the event that, after the Closing, the Bank or the Purchaser (or their respective successors or assigns), directly or indirectly, (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and other assets to any Person, then, and in each such case, the Purchaser shall cause, and shall cause the Bank to cause, as the case may be, proper provision to be made so that such successors and assigns shall assume the obligations of the Purchaser and the Bank set forth in this Section 5.5.

Section 5.6. *Communications with Customers and Suppliers.* Prior to the Closing, the Purchaser shall not, and shall cause his Affiliates and their Representatives not to, contact, or engage in any discussions or otherwise communicate with, the Company's or the Bank's customers, suppliers, licensors, licensees and other Persons with which the Company or the Bank have commercial dealings without obtaining the prior written consent of the Company (other than any such communication with the Persons with whom the Purchaser or his Affiliates already have relationship prior to the date hereof and in the Ordinary Course of Business of the Purchaser or his Affiliates consistent with past practice without reference to or any purpose relating to the Bank, the Company, the Business or the Contemplated Transactions).

Section 5.7. *Resignations.* On the Closing Date, the Company or the Bank, as applicable, shall cause to be delivered to the Purchaser duly signed resignations, effective as of the Closing, of all directors of the Bank to the extent requested by the Purchaser prior to the Closing.

Section 5.8. *Public Announcements.* Other than mutually agreed press releases and other materials to be issued upon the announcement of this Agreement or thereafter, with respect to which the parties shall cooperate in good faith to jointly prepare or communicate consistent with the joint communication policy of the parties, from and after the date of this Agreement, neither party shall make any public announcement or public comment regarding this Agreement or the Contemplated Transactions without the prior written consent of the other party (which consent shall not be unreasonably withheld, delayed or conditioned), unless and only to the extent that any such public announcement or public comment is required by a Governmental Authority or Legal Requirements; provided that, the Purchaser shall, to the extent reasonably practicable and permitted by such Governmental Authority or Legal Requirements, as applicable, use reasonable best efforts to first allow the Company to review such public announcement or public comment and provide comments thereon, and the Purchaser shall consider such comments in good faith. Notwithstanding anything to the contrary in this Agreement (including this Section 5.8), nothing herein shall prohibit the Company or the Bank from complying with or filing any documents in

connection with the entry of the Sale Order, or any other requirements of the Bankruptcy Court, the Bankruptcy Code or other Legal Requirements.

Section 5.9. *Tax Sharing Agreement.* Anything in any other agreement to the contrary notwithstanding, all Liabilities between the Company on the one hand and the Bank on the other hand, under any Tax allocation or Tax sharing agreement (including the Tax Sharing Agreement) in effect prior to the Closing Date (other than this Agreement) shall cease and terminate as of the Closing Date as to all past, present and future taxable periods.

Section 5.10. *Preparation and Filing of Tax Returns; Taxes.*

(a) The Company shall include the income of the Bank on the Company's consolidated, unitary, affiliated or other combined federal and state income Tax Returns for all periods through the Closing Date (such period, the "**Pre-Closing Tax Period**" and such Tax Returns, the "**Company Tax Returns**") and pay any federal and state income Taxes attributable to such income. The Bank shall furnish Tax information reasonably sufficient for the Company to include such income in the Company Tax Returns to the Company. The Company shall timely prepare and file (or cause to be prepared and filed) the Company Tax Returns, and shall prepare all Company Tax Returns in a manner consistent with prior practice in respect of the Bank unless otherwise required by Legal Requirements or unless the Purchaser consents to such different treatment. The Purchaser and the Company agree to report all transactions not in the Ordinary Course of Business occurring on the Closing Date after the Closing, unless otherwise directed by the Purchaser, on the first day of the Bank's separate federal and state income Tax Returns to the extent permitted by Treasury Regulations Section 1.1502-76(b)(1)(ii)(B).

(b) Except as otherwise provided in this Agreement, all Taxes that relate to Straddle Tax Period shall be allocated in the following manner:

(i) in the case of Taxes (A) based upon, or measured by reference to, income, receipts, profits, wages, capital or net worth, (B) imposed in connection with the sale, transfer or assignment of property, or (C) required to be withheld, such Taxes shall be deemed equal to the amount which would be payable if the taxable year ended as of the end of the day on the Closing Date using "closing of the books methodology"; and

(ii) in the case of other Taxes, such Taxes shall be deemed equal to the amount of such Taxes for the entire period multiplied by a fraction, the numerator of which is the number of days in the period ending on the Closing Date and the denominator of which is the number of days in the entire period.

(c) The Bank shall pay the Company, for the Pre-Closing Tax Period in which the Bank is included in the Company Tax Return, the portion of the consolidated federal and any combined state income Tax Liability attributable to the Bank determined as follows:

(i) The Bank shall pay an amount equal to the lesser of (1) the total Tax paid on a Company Tax Return or (2) the Bank's full separate federal or state (as the case may be) income Tax Liability attributable to the net taxable income of the Bank that would have been paid if the Bank had filed a separate federal or state income Tax Return.

Such amount shall be computed (with any adjustments to the computation) in accordance with past practices.

(ii) The payment of the amount determined in accordance with this Section 5.10(c) shall be made to the Company in accordance with the Company's schedule for payment of amounts due upon the consolidated group's quarterly income Tax declarations and the balance, if any, shall be payable in one installment due on or before the fifteenth day of the third month following the close of the Company's Tax year; provided that, the Bank shall not be required to pay the same amount to the Company more than once under this Section 5.10(c) and the Tax Sharing Agreement.

Section 5.11. *Tax Cooperation.* Prior to the closing of the Bankruptcy Case, in connection with the preparation of Tax Returns, audit examinations and any Proceedings relating to the Tax Liabilities imposed on or attributable to the Bank, the Purchaser, on the one hand, and the Company, on the other hand, shall reasonably cooperate fully with each other, including the furnishing or making available during normal business hours of records, personnel (as reasonably required), books of account, powers of attorney or other materials necessary or helpful for the preparation of such Tax Returns, the conduct of audit examinations or the defense of claims by taxing authorities as to the imposition of Taxes. The Company shall provide to the Purchaser copies of all information, returns, books, records and documents relating to any Tax matters of or attributable to the Bank and the Other Purchased Assets.

Section 5.12. *Post-Closing Actions.* Without prior written consent of the Company, the Purchaser shall not, and shall not cause or permit the Bank to, (a) amend any Tax Returns filed with respect to any tax year ending on or before the Closing Date, (b) make or change any Tax election or accounting method or practice that has retroactive effect to any such year, or (c) make or initiate any voluntary disclosure or file a ruling request with any Governmental Authority relating to any actual or potential Tax payment or Tax Return filing obligation of the Bank, the Company or any Affiliate thereof for any such year.

Section 5.13. *Tax Refunds.* The Purchaser shall, or shall cause the Bank to, pay the Company the amount of any cash Tax refunds or credits of Taxes actually received by the Purchaser or the Bank that arise with respect to any Pre-Closing Tax Period (including any such amount that is credited against the year in which an audit is settled or ultimately concluded) and the amount of any benefit of any overpayment actually received with respect to any such Tax period (including any such amount that is credited against the year in which an audit is settled or ultimately concluded) that is applied in a taxable period (or portion thereof) beginning on or after the Closing Date (other than, in each case, refunds, credits or overpayments attributable to the carryback of losses, credits or similar items from a taxable period or portion thereof beginning on or after the Closing Date), in each case, net of any reasonable costs or Taxes incurred in connection therewith. Such payments shall be made within 15 days of receipt of any such refund or credit or application of any such overpayment by the Purchaser or the Bank.

Section 5.14. *Tax Proceedings.* The Company and the Purchaser shall promptly notify each other upon receipt after the Closing of any notice of any inquiries, assessments, audits, Proceedings or similar events received from any taxing authority with respect to any Taxes, or Tax attributes (including net operating losses), including such items included in any consolidated,

affiliated, unitary or other combined Tax Return, attributable to a Pre-Closing Tax Period (any such inquiry, assessment, audit, Proceeding or similar event, a “**Tax Matter**”). Prior to the Closing, the Company shall have the right to control the process, disposition and decision of whether to settle any Tax Matter. Following the Closing, the Purchaser shall have the right to control the process, disposition and decision of whether to settle any Tax Matter, provided, that, the Purchaser shall (a) diligently prosecute such Tax Matter, (b) keep the Company reasonably informed of the status or developments with respect to such Tax Matter, and (c) obtain the written consent from the Company to settle any Tax Matter that would result in current or future Taxes for which the Company would be liable for under this Agreement. The Company shall have the right to fully participate in any such Tax Matter at its own expense.

Section 5.15. *Transfer Taxes.* The Contemplated Transactions shall be exempt from Transfer Tax to the fullest extent available in accordance with Section 1146 of the Bankruptcy Code. To the extent any Transfer Taxes are nonetheless payable in connection with the Contemplated Transactions, notwithstanding any other provision of this Agreement, the Purchaser shall be responsible for all transfer, sales, use, stamp, conveyance, value added, recording, registration, documentary, filing and other similar non-income Taxes and administrative fees (including notary fees) (“**Transfer Taxes**”) arising in connection with the consummation of the Contemplated Transactions, whether levied on the Company or the Purchaser. The Purchaser shall timely prepare (or cause to be prepared) and file (or cause to be filed) any Tax Returns with respect to Transfer Taxes arising in connection with the consummation of the Contemplated Transactions (the “**Transfer Tax Returns**”) and pay such Transfer Taxes when due. To the extent that any such Transfer Taxes are by Legal Requirement payable by the Company rather than the Purchaser, the Purchaser shall, within 10 Business Days after the Closing, transfer the amount due in immediately available funds to an account designated by the Company.

Section 5.16. *Bankruptcy Filings.*

(a) On or before December 31, 2025, the Company shall file (i) the Sale Motion; and (ii) a motion to expedite the hearing on the Sale Motion.

(b) The Company and the Purchaser shall consult with one another regarding pleadings or papers that either of them intends to file with the Bankruptcy Court in connection with, or which might reasonably affect the Bankruptcy Court’s approval of, the Sale Order.

(c) The Purchaser agrees that it will promptly take such actions as are reasonably requested by the Company to assist in obtaining the entry of the Sale Order and a finding of adequate assurance of future performance by the Purchaser, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of providing necessary assurances of performance by the Purchaser under any executory Contracts or unexpired leases of the Company that constitute the Other Purchased Assets, if applicable, and demonstrating that Purchaser is a “good faith” purchaser under Section 363(m) of the Bankruptcy Code.

Section 5.17. *Appeal.* If the Sale Order or any other Orders of the Bankruptcy Court relating to the Contemplated Transactions is appealed by any Person, or petition for certiorari or motion for rehearing or reconsideration is filed with respect thereto, subject to rights otherwise

arising from this Agreement, including each party's respective right to terminate this Agreement, the Company and the Purchaser shall use commercially reasonable efforts to defend against such appeal, petition or motion.

Section 5.18. [Intentionally omitted.]

Section 5.19. *Notification.* From and after the date hereof to the Closing Date, if the Company or the Purchaser becomes aware of any facts, circumstances or of the occurrence or impending occurrence of any event that does or would reasonably be expected to give rise to a failure of any condition to the Closing set forth in Article 6, such party shall promptly give reasonably detailed written notice thereof to the other party and the parties shall work together in good faith in accordance with the terms of this Agreement to cause such condition to be satisfied prior to the Outside Date; provided that any failure to give any such notice by the Company or the Purchaser shall not in itself constitute a failure to satisfy the conditions set forth in Section 6.1(b) or Section 6.2(b), respectively.

ARTICLE 6 CONDITIONS OF CLOSING

Section 6.1. *Conditions to Purchaser's Obligations.* The obligation of the Purchaser to consummate the Contemplated Transactions is subject to the fulfillment or (to the extent permitted by Legal Requirements) waiver on or prior to the Closing Date of the following conditions:

(a) *Representations and Warranties.* (i) The representations and warranties of the Company contained in Section 3.1(a), Section 3.1(b), Section 3.1(c), Section 3.2, Section 3.3(a), and Section 3.23 shall be true and correct in all but *de minimis* respects as of the date of this Agreement and as of the Closing Date with the same effect as though such representations and warranties had been made as of the Closing Date (except to the extent that any such representation and warranty is expressly made as of a particular earlier date, in which case such representation and warranty shall be true and correct in all but *de minimis* respects as of such earlier date), and (ii) each of the representations and warranties of the Company contained in Article 3 (other than those representations and warranties specified in clause (i) above) shall be true and correct in all respects (without regard to materiality or Material Adverse Effect qualifications contained therein) as of the date of this Agreement and as of the Closing Date with the same effect as though such representations and warranties had been made as of the Closing Date (except to the extent that any such representation and warranty is expressly made as of a particular earlier date, in which case as of such earlier date), except where the failure of such representations and warranties described in this clause (ii) to be so true and correct (without regard to materiality or Material Adverse Effect qualifications contained therein) would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on the Bank;

(b) *Covenants.* The covenants and agreements of the Company required to be performed at or before the Closing pursuant to this Agreement shall have been performed in all material respects at or before the Closing;

(c) *Officer's Certificate.* The Company shall have delivered to the Purchaser a certificate signed by an authorized officer of the Company certifying to the effect that the conditions set forth in Section 6.1(a) and Section 6.1(b) have been satisfied; and

(d) *Deliverables.* The Purchaser shall have received each of the documents, certificates, instruments and agreements required to be delivered pursuant to Section 7.2.

For the avoidance of doubt, if the Closing occurs, all conditions set forth in this Section 6.1 that have not been fully satisfied as of the Closing shall be deemed to have been waived by the Purchaser.

Section 6.2. *Conditions to the Company's Obligations.* The obligation of the Company to consummate the Contemplated Transactions is subject to the fulfillment or (to the extent permitted by Legal Requirements) waiver on or prior to the Closing Date of each of the following conditions:

(a) *Representations and Warranties.* (i) The representations and warranties of the Purchaser contained in Section 4.1(a), Section 4.2, Section 4.5, Section 4.6, Section 4.7, and Section 4.10 shall be true and correct in all but *de minimis* respects as of the date of this Agreement and as of the Closing Date with the same effect as though such representations and warranties had been made as of the Closing Date (except to the extent that any such representation and warranty is expressly made as of a particular earlier date, in which case such representation and warranty shall be true and correct in all but *de minimis* respects as of such earlier date), and (ii) each of the representations and warranties of the Purchaser contained in Article 4 (other than those representations and warranties specified in clause (i) above) shall be true and correct in all respects (without regard to materiality or Material Adverse Effect qualifications contained therein) as of the date of this Agreement and as of the Closing Date with the same effect as though such representations and warranties had been made as of the Closing Date (except to the extent that any such representation and warranty is expressly made as of a particular earlier date, in which case as of such earlier date), except where the failure of such representations and warranties in this clause (ii) to be so true and correct (without regard to materiality or Material Adverse Effect qualifications contained therein) would not reasonably be expected to, individually or in the aggregate, prevent, materially impair or materially delay the consummation of any of the Contemplated Transactions;

(b) *Covenants.* The covenants and agreements of the Purchaser required to be performed at or before the Closing pursuant to this Agreement shall have been performed in all material respects at or before the Closing;

(c) *Purchaser's Certificate.* The Purchaser shall have delivered to the Company a certificate signed by an authorized officer of the Purchaser certifying to the effect that the conditions set forth in Section 6.2(a) and Section 6.2(b) have been satisfied; and

(d) *Deliverables.* The Company shall have received each of the documents, certificates, instruments and agreements required to be delivered pursuant to Section 7.3.

The foregoing conditions are for the benefit of the Company only and accordingly the Company will be entitled to waive compliance with any such conditions if it sees fit to do so, without prejudice to its rights and remedies at law and in equity and also without prejudice to any of its

rights of termination or otherwise in the event of the failure to fulfill any other conditions in whole or in part.

Section 6.3. *Mutual Conditions.* The obligations of the Company and the Purchaser to consummate the Contemplated Transactions are subject to the fulfillment or (to the extent permitted by Legal Requirements) waiver by the parties of each of the following conditions:

(a) *No Injunction or Restraining Order.* No temporary, preliminary or permanent injunction or restraining Order or Legal Requirements shall be in effect which prohibits, restrains, makes illegal or enjoins the consummation of the Contemplated Transactions;

(b) *Sale Order Entered.* The Sale Order, together with any other Order of the Bankruptcy Court required to consummate the Contemplated Transactions, shall have been entered by the Bankruptcy Court and remain unstayed and in effect as of the Closing; and

(c) *Purchaser Required Approvals.* The Purchaser shall have obtained all the Purchaser Required Approvals; each Purchaser Required Approval shall remain in full force and effect; and no Purchaser Required Approval shall have been amended, modified, reversed or vacated and all applicable waiting periods with respect to any Purchaser Required Approvals shall have expired, and no Purchaser Required Approval shall have resulted in the imposition of any Burdensome Condition.

Section 6.4. *Frustration of Closing Conditions.* The Purchaser may not rely on the failure of any condition set forth in this Article 6 to be satisfied if such failure was caused by the Purchaser's failure to comply with the terms of this Agreement. The Company may not rely on the failure of any condition set forth in this Article 6 to be satisfied if such failure was caused by the Company's failure to comply with the terms of this Agreement.

Section 6.5. *Termination.*

(a) This Agreement may be terminated by either of the Purchaser or the Company immediately, upon delivery of written notice to the other party, in the event that the Sale Order is not entered by January 30, 2026 or Closing has not occurred on or before April 17, 2026 (the "**Outside Date**"); provided, that if the conditions to the Closing set forth in Section 6.3(c) have not been satisfied or waived on or prior to such date but all other conditions to the Closing set forth in Article 6 have been satisfied or waived (other than those conditions that by their nature can only be satisfied at the Closing (so long as such conditions are reasonably capable of being satisfied)), then the Company may, in its sole discretion, extend the Outside Date one or more times to a date no later than May 17, 2026, and such date, as so extended, shall be the Outside Date; provided, further that the terminating party shall only be entitled to exercise such right of termination if the terminating party is not then in breach of any representation, warranty, covenant or other agreement contained in this Agreement such that any condition to Closing set forth in Article 6, as applicable, would not have been satisfied.

(b) This Agreement may also be terminated prior to the Closing:

(i) at any time by the mutual written agreement of the Company and the Purchaser;

(ii) by the Purchaser, upon written notice to the Company, if there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of the Company which breach, individually or in the aggregate with other breaches by the Company, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 6.1(a) or (b), as the case may be, and which is not cured within 30 days following written notice to the Company thereof (and in any event prior to the Outside Date) or which by its nature or timing cannot be cured within such time period (provided, that the Purchaser is not then in material breach of any of the covenants, agreements, representations or warranties set forth in this Agreement on the part of the Purchaser);

(iii) by the Company, upon written notice to the Purchaser, if there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of the Purchaser which breach, individually or in the aggregate with other breaches by the Purchaser, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 6.2(a) or (b), as the case may be, and which is not cured within 30 days following written notice to the Purchaser thereof (and in any event prior to the Outside Date) or which by its nature or timing cannot be cured within such time period (provided, that the Company is not then in material breach of any of the covenants, agreements, representations or warranties set forth in this Agreement on the part of the Company);

(iv) by either the Company or the Purchaser, upon written notice to each other, if there shall be in effect a final, non-appealable Order which prohibits, restrains, makes illegal or enjoins the consummation of the Contemplated Transactions; provided that, the Purchaser shall only be entitled to exercise such right of termination if the Purchaser shall have used reasonable best efforts to contest, appeal, vacate and remove such Order prior to such Order becoming final and non-appealable;

(v) by either party, upon written notice to the other party, if (A) any Governmental Authority has denied a Purchaser Required Approval and such denial has become final, or has advised either party that it will not grant (or intends to rescind or revoke if previously granted) a Purchaser Required Approval without imposing a Burdensome Condition, or (B) any Governmental Authority shall have requested or advised that either party or any of their respective Affiliates withdraw any application with respect to a Purchaser Required Approval (other than solely for technical reasons); provided that, the terminating party shall not be entitled to exercise such right of termination if the failure to obtain a Purchaser Required Approval shall be caused by or due to the failure of such party to perform or observe any obligations, covenants and agreements of such party as set forth herein;

(vi) by either party, upon written notice to the other party, if (A) prior to the Closing, the Bankruptcy Case is dismissed or converted to a case under Chapter 7 of the Bankruptcy Code; or (B) the Bankruptcy Court enters an Order denying approval of the Sale; or

(vii) by written notice from the Company to the Purchaser, prior to the entry of the Sale Order, if the Company or its board of directors determines that proceeding with the Contemplated Transactions pursuant to the terms of this Agreement or failing to terminate this Agreement would be inconsistent with such Person's or body's fiduciary duties.

(c) In the event that this Agreement is validly terminated pursuant to this Section 6.5, this Agreement shall terminate and there shall be no Liability on the part of any party to this Agreement (or any Representative of such party) to the other party to this Agreement, except that (i) Section 1.2 (*Interpretation*), Section 1.3 (*Governing Law*), Section 5.8 (*Public Announcement*), this Section 6.5(c) (*Termination*), Article 8 (*Miscellaneous*) (including relevant definitions in Section 1.1) and the Confidentiality Agreement shall survive such termination and remain in full force and effect, and (ii) nothing in this Section 6.5 will be deemed to interfere with the Company's rights to retain the Deposit Amount in accordance with Section 2.4.

ARTICLE 7 CLOSING

Section 7.1. *Time and Place.* The Closing shall take place remotely via the electronic exchange of documentation and signatures at 10:00 a.m. Mountain Time on the Closing Date, or at such other time and date, or both, as the Company and the Purchaser may mutually agree upon in writing.

Section 7.2. *Company's Closing Deliverables.* At the Closing, the Company shall deliver the following to the Purchaser:

(a) stock certificates evidencing the Shares duly endorsed in blank, or accompanied by stock powers duly executed in blank;

(b) any transfers, assignments or other documents which are necessary to assign, sell and transfer the Other Purchased Assets to or the assumption of the Assumed Liabilities by the Purchaser as contemplated by this Agreement, as the Purchaser may reasonably require, and in such form and substance as mutually agreed by the parties;

(c) a counterpart of the Transition Services Agreement, duly executed by the Company;

(d) the certificate required by Section 6.1(c); and

(e) a copy of the Sale Order.

Section 7.3. *Purchaser's Closing Deliverables.* At the Closing, the Purchaser shall deliver the following to the Company (or, in the case of the Purchase Price, as set forth in Section 2.5):

(a) each and all the payments as set forth in Section 2.5;

(b) a counterpart of the Transition Services Agreement, duly executed by the Purchaser;

(c) the certificate required by Section 6.2(c); and

(d) any transfers, assignments or other documents which are necessary to assign, sell and transfer the Other Purchased Assets to or the assumption of the Assumed Liabilities by the Purchaser as contemplated by this Agreement, as the Company may reasonably require, and in such form and substance as mutually agreed by the parties.

Section 7.4. *Concurrent Delivery.* It shall be a condition of the Closing that all matters of payment and the execution and delivery of documents, in each case, at Closing by any party to the other pursuant to the terms of this Agreement shall be concurrent requirements and that nothing will be complete at the Closing until everything required as a condition precedent to the Closing has been paid, executed and delivered, as the case may be.

Section 7.5. *Transfer of Shares, Other Purchased Assets and Assumed Liabilities.* Upon the terms and subject to the conditions set forth in this Agreement, and subject to the entry of a Sale Order, the Sale shall be deemed to take effect on the Closing Date.

ARTICLE 8 MISCELLANEOUS

Section 8.1. *Survival.* All covenants and agreements contained herein which by their terms are to be performed by the Purchaser in whole or in part, or which prohibit actions by the Purchaser, subsequent to the Closing shall, solely to the extent such covenants and agreements are to be performed, or prohibit actions, subsequent to the Closing, survive the Closing in accordance with their terms until fully performed or satisfied. All covenants and agreements contained herein which by their terms are to be performed by the Company in whole or in part, or which prohibit actions by the Company, subsequent to the Closing, solely to the extent such covenants and agreements are to be performed, or prohibit actions, subsequent to the Closing, shall survive the Closing until the closure of the Bankruptcy Case (upon which time such covenants and agreement shall terminate and be of no further force or effect). All other covenants and agreements contained herein, and all representations and warranties contained herein or in any instruments, certificates or other documents deliveries hereunder, in each case shall not survive the Closing and shall thereupon terminate and be of no further force or effect, including any actions for damages in respect of any breach or inaccuracy thereof.

Section 8.2. *Expenses.* Unless otherwise specifically provided herein, the Purchaser and the Company will pay their respective legal, accounting and other professional fees and expenses incurred by each of them in connection with the negotiation and execution of this Agreement, the consummation of the Contemplated Transactions and other matters pertaining hereto.

Section 8.4. *Further Assurances.* From the date hereof until the date on which the Bankruptcy Case is closed, upon reasonable request by a party and solely at Purchaser's expense, each of the parties shall execute and deliver such further documents, instruments and agreements and do such further acts and things as may be reasonably required from time to time, either before, on or after the Closing Date, to carry out the full intent and meaning of this Agreement, give effect to the Contemplated Transactions.

Section 8.5. *Release.* Effective as of the Closing, to the fullest extent permitted by Legal Requirements, the Purchaser, on behalf of itself and its Related Parties (collectively, the "**Purchaser Releasing Parties**"), hereby knowingly, willingly, irrevocably, unconditionally and

completely release, acquit and forever discharge each of the Company and the Company's Related Parties of and from any and all past, present and future Proceedings, executions, judgments, duties, debts, dues, accounts, bonds, Contracts and covenants (whether express or implied), Liabilities, losses, damages, controversies of any kind or nature whatsoever, whether in law or in equity, known or unknown, liquidated or unliquidated, absolute or contingent, which any Purchaser Releasing Party has, owns or holds, or claims to have, own or hold, or may have, own or hold, in each case, arising prior to the Closing Date or arising out of, in connection with or otherwise relating to any events, facts, conditions or circumstances existing prior to the Closing Date, against each of the Company or the Company's Related Parties, in each case relating to the Shares, the Company or its business or operations, the Business, the Other Purchased Assets or the Assumed Liabilities (including relating to any direct or indirect ownership interest in, or service as a controlling Person, director, officer, employee or agent of, the Company or the Business), including with respect to controlling equityholder or lender liability and breach of any fiduciary duty relating to any actions or failures to act prior to the Closing by the Company or any Company's Related Party or their respective board of directors or similar governing bodies; provided, that the foregoing release shall not apply to the rights and obligations under this Agreement. The Purchaser shall not, and shall cause the Purchaser Releasing Parties not to, make, any claim or demand, or commence any Proceeding asserting any claim or demand, including any claim of contribution or any indemnification, against the Company or the Company's Related Parties with respect to any Liabilities released pursuant to this Section 8.5. The Company's Related Parties shall be entitled to recover consequential damages (including reasonable attorneys' fees) in defending any Proceeding brought in contravention of the foregoing sentence. The provisions of this Section 8.5 shall survive the Closing and expressly are intended to benefit, and are enforceable by, each of the Company's Related Parties, each of whom is an intended third-party beneficiary of this Section 8.5.

Section 8.6. *No Rights Against Nonparties.*

(a) This Agreement may be enforced only by the Company against, and any Proceeding by the Company may be brought only against, the Purchaser, and then only as, and subject to the terms and limitations, expressly set forth in this Agreement. Neither the Company nor any other Person shall have any recourse against any past, present, or future incorporator, general or limited partner, or Representative of the Purchaser (including, following the Closing, the Bank) or any of their successors or permitted assigns (each, a "**Purchaser Non-Recourse Person**"), and no such Purchaser Non-Recourse Person shall have any liability for any Liabilities of the Purchaser under this Agreement or for any claim, action, or other Proceeding based on, in respect of or by reason of the Contemplated Transactions.

(b) This Agreement may be enforced only by the Purchaser against, and any Proceeding by the Purchaser may be brought only against, the Company, and then only as, and subject to the terms and limitations, expressly set forth in this Agreement. Neither the Purchaser nor any other Person shall have any recourse against any past, present, or future incorporator, general or limited partner, or Representative of the Company or its Affiliates (including, prior to the Closing, the Bank) or any of their successors or permitted assigns (each, a "**Company Non-Recourse Person**"), and no such Company Non-Recourse Person shall have any liability for any Liabilities of the Company under this Agreement or for any Proceeding based on, in respect of or by reason of the Contemplated Transactions.

(c) The provisions of this Section 8.6 are for the benefit of and shall be enforceable by each Purchaser Non-Recourse Person and Company Non-Recourse Person, which is an intended third-party beneficiary of this Section 8.6.

Section 8.7. *Time of the Essence.* Time shall be of the essence of this Agreement.

Section 8.8. *Entire Agreement.* This Agreement (and all related documents referred to herein, including the Disclosure Schedule and the schedules and exhibits hereto), the Confidentiality Agreement and the other documents, instruments, certificates and agreements specifically referred to herein or therein or delivered pursuant to hereto or thereto constitute the entire agreement between the Company and the Purchaser pertaining to the Contemplated Transactions and supersede all other prior agreements, undertakings, negotiations and discussions, whether oral or written, of the Company and the Purchaser.

Section 8.9. *Assignability.* Neither party to this Agreement may assign any of its respective benefits or Liabilities under or in respect of this Agreement without the prior written consent of the other party, which may be withheld in its absolute discretion. Any attempted assignment without the necessary consent shall be void and invalid.

Section 8.10. *Severability.* Each of the provisions contained in this Agreement is distinct and severable and a determination of illegality, invalidity or unenforceability of any such provision or part hereof by a court of competent jurisdiction shall not affect the validity or enforceability of any other provision hereof, unless as a result of such determination this Agreement would fail in its essential purposes.

Section 8.11. *Waiver and Amendment.* Except as expressly provided in this Agreement, no amendment or waiver of it will be binding unless made in writing by the party to be bound by such amendment or waiver. No waiver of any provision, or any portion of any provision, of this Agreement will constitute a waiver of any other part of the provision or any other provision of this Agreement, nor a continuing waiver unless otherwise expressly provided.

Section 8.12. *Benefit.* This Agreement is for the sole benefit of the parties hereto and their permitted assigns and nothing herein express or implied shall give or be construed to give to any Person, other than the parties hereto and such permitted assigns, any legal or equitable rights hereunder; except as set forth in Section 5.5 (*Indemnification; D&O Insurance; D&O Tail Coverage*), Section 8.5 (*Release*) and Section 8.6 (*No Rights Against Nonparties*), which will be for the benefit of and enforceable by the Persons set forth therein, and any such Person will have the rights and remedies provided for therein.

Section 8.13. *Captions.* The captions in this Agreement are inserted for convenience of reference only and shall not be considered a part of or affect the construction or interpretation of any provision of this Agreement.

Section 8.14. *Counterparts.* This Agreement may be signed in counterparts and each such counterpart will constitute an original document and such counterparts, taken together, will constitute one and the same instrument. Electronically transmitted or facsimile copies shall be deemed to be originals.

Section 8.15. *Specific Performance.* The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, in which case which monetary damages would not be an adequate remedy. It is accordingly agreed that the parties shall be entitled to equitable relief including injunctions or temporary restraining orders to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, such equitable relief being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise. The parties hereby agree not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches of this Agreement by the parties, as applicable, and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the respective covenants and obligations of the parties under this Agreement, all in accordance with the terms of this Section 8.15. No party shall be required to provide any evidence of irreparable harm or bond or other security in connection with seeking an injunction or injunctions to prevent breaches of this Agreement or to specifically enforce the terms and provisions of this Agreement.

Section 8.16. *Consent to Jurisdiction.* The parties hereto agree that any Proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the Contemplated Transactions shall be brought in the United States Bankruptcy Court for the District of Wyoming, and each of the parties hereby irrevocably consents to the jurisdiction of such court (and of the appropriate appellate courts therefrom) in any such Proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such Proceeding in such court or that any such Proceeding brought in such court has been brought in an inconvenient forum. Process in any such Proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of such court. To the fullest extent permitted by applicable law, each of the parties hereby consents to process being served by any party in any Proceeding by delivery of a copy thereof in accordance with the provisions of Section 8.3 of this Agreement.

Section 8.17. *Waiver of Jury Trial.* EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE CONTEMPLATED TRANSACTIONS.

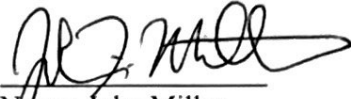

Section 8.18. *Fiduciary Obligations.* Subject to the terms and conditions of this Agreement, or any document related to the Contemplated Transactions, prior to the entry of the Sale Order, neither the Company nor any of its Representatives (or the board of directors or similar governing bodies of any of the foregoing Persons), in each case, in their capacity as such, are required to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations or Legal Requirements. For the avoidance of doubt, subject to the terms and conditions of this Agreement, or any document related to the Contemplated Transactions, prior to the entry of the Sale Order, the Company retains the right to pursue any transaction or restructuring strategy that, in the Company's business judgment, will maximize the value of its estate.

The Company, the Bank and the Purchaser are sometimes referred to herein individually as a “**Party**” and together as the “**Parties**.”

WHEREAS, The Company and the Purchaser are parties to that certain Amended and Restated Share Purchase Agreement, dated as of December 31, 2025 (the “**Purchase Agreement**”), pursuant to which the Purchaser is purchasing from the Company the Shares (as defined in the Purchase Agreement) of the Bank and the Other Purchased Assets (as defined in the Purchase Agreement);

WHEREAS, following the consummation of the transactions contemplated by the Purchase Agreement, as an accommodation to the Company, the Bank has agreed to perform, and Purchaser has agreed to cause the Bank to perform certain Services (as defined below) for certain periods after the Effective Date for the benefit of the Company, in each case on a transitional basis, subject to the terms and conditions contained herein; and

WHEREAS, capitalized terms used herein and not otherwise defined shall have the meanings ascribed to such terms in the Purchase Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual agreements and covenants hereinafter set forth and set forth in the Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, do hereby agree as set forth herein.

ARTICLE 1 SERVICES

1.1 Provision of Services.

1.1.1 Subject to the terms and conditions of this Agreement, during the Transition Period, the Bank shall provide, and the Purchaser shall cause the Bank to provide, to the Company certain management and administrative services provided by certain employees of the Bank as set forth on Schedule 2 (each, a “**Service**” and collectively, the “**Services**”).

1.1.2 If there is any inconsistency between the terms of Schedule 2 and the terms of this Agreement, the terms of this Agreement shall govern.

1.1.3 Notwithstanding anything to the contrary herein, neither the Purchaser nor the Bank will be required to perform or to cause to be performed any of the Services for the benefit of any Person other than the Company.

1.1.4 The description of the Services set forth on Schedule 2 may be amended from time to time throughout the Transition Period upon the mutual written agreement of the Parties, and any such amendment shall be considered part of this Agreement and incorporated herein by this reference.

1.2 **Services Performed by the Bank.** The Bank shall have the right to perform the Services itself or through its Affiliates; *provided*, that no such subcontracting shall relieve the Bank or the Purchaser of their obligations or liabilities hereunder.

1.3 **Services Standard.** The Company acknowledges that the Purchaser and the Bank are not in the business of providing services to third parties and are entering into this Agreement only in connection with the Purchase Agreement. The Bank shall, and the Purchaser shall cause the Bank to, provide the Services to be provided pursuant to this Agreement with substantially the same degree of skill, quality and care utilized by the Bank in the twelve-month period prior to Closing in performing such activities for itself and in compliance in all material respects with applicable law (the “**Services Standard**”). Under no circumstances shall the Purchaser or the Bank or their respective employees or agents be held accountable to a greater standard of care, effort or skill than the Services Standard.

1.4 **Transitional Nature of Services.** The Company acknowledges and agrees that the Services are intended only to be transitional in nature, and shall be furnished by the Bank only during the Transition Period and solely for the purpose of allowing the Company to fulfill its obligations as a debtor and debtor in possession in the Bankruptcy Case and to wind-down and/or dissolve the Company and its bankruptcy estate.

1.5 **Location of Services Provided.** The Bank shall provide the Services to the Company from locations of the Bank’s choice in its reasonable discretion unless Services are required to be performed at a specific location by their nature, which shall be provided at such location.

1.6 **Transition Management.** The persons set forth on Schedule 1 shall serve as the points of contact for each Party for all questions and issues relating to the Services (the “**Transition Managers**”). Either Party may, by written notice given to the other Party, replace its Transition Manager; *provided*, that neither the Purchaser nor the Bank may replace their Transition Managers without the prior written consent of the Company. The Transition Managers shall meet on such schedule as mutually agreed upon by the Parties, during the Transition Period in person or telephonically in order to discuss the Services and the status of the transition and to manage any open issues relating to the Services. The Transition Managers may establish such governance procedures and such functional sub-teams as they deem appropriate.

1.7 **Cooperation.** Each of the Purchaser, the Bank and the Company shall use commercially reasonable efforts to cooperate with each other in all matters relating to the provision and receipt of the Services. Without limiting the generality of the foregoing sentence, the Company shall permit the Bank and its employees reasonable access during regular business hours, upon reasonable prior notice by the Bank, to (a) such data and personnel as are involved in receiving or overseeing the Services, and (b) applicable documents, information, records,

materials, in each case as reasonably requested by the Bank to the extent necessary for the Bank to perform the Services, subject to the Disclosure Limitations.

1.8 **Consents.** To the extent the consent of any third party is needed in order for the Bank to provide the Services, the Bank and the Purchaser shall use reasonable best efforts to obtain such consent, and the Company shall cooperate with the Purchaser or the Bank, as applicable, in obtaining any such consents.

1.9 **No Compensation.** Notwithstanding anything to the contrary contained herein, the Parties agree that the Services shall be provided by the Bank to the Company at no cost to the Company.

1.10 **Exclusion.** Notwithstanding anything herein to the contrary, in no event shall the Bank be obligated to provide any Services that would be unlawful for the Bank to provide or that would require the Bank to violate applicable law.

ARTICLE 2 OWNERSHIP OF ASSETS, INTELLECTUAL PROPERTY AND RIGHTS OF REFERENCE

2.1 **Ownership; Delivery.** This Agreement and the performance of the Services hereunder shall not affect the ownership of any intellectual property rights or other assets of the Parties. Subject to Section 2.2, no Party shall gain, by virtue of this Agreement or the Services hereunder, by implication or otherwise, any rights of ownership or use of any property or intellectual property rights owned by the other. All intellectual property rights conceived or made by the Purchaser or the Bank in the course of the Purchaser's or the Bank's performance of Services and other activities under this Agreement shall be solely owned by the Purchaser or the Bank, as applicable.

2.2 **Limited License.** Solely for and with respect to performance of Services and other activities under this Agreement during the Transition Period, the Company (on behalf of itself and its Affiliates) hereby grants to the Purchaser and the Bank a non-exclusive, royalty-free, non-transferable license and right of reference, with the right to grant further licenses and rights of reference, to all intellectual property rights owned or controlled by the Company or its Affiliates, if any, in each case, that are necessary or useful to perform the Services hereunder.

ARTICLE 3 CONFIDENTIALITY

3.1 **Confidentiality.** The Parties agree that, without limiting any Party's obligations under the Purchase Agreement, the Bank and the Purchaser, on the one hand, and the Company, on the other hand, shall keep confidential and shall not disclose or otherwise use for any purpose other than as provided in this Agreement the existence and terms of this Agreement and any non-public, confidential or proprietary information (any such information, "**Confidential Information**") furnished to it by or on behalf of the Company, or, the Bank and the Purchaser, as the case may be, and in accordance with, the terms and conditions of this Agreement and the

confidentiality obligations under the Confidentiality Agreement shall apply with respect thereto *mutatis mutandis* and shall survive the termination of this Agreement.

3.2 **Permitted Purpose.** Unless otherwise authorized in any other agreement between or among the Company, the Purchaser and the Bank, and without limiting any Party's obligations under the Purchase Agreement, the Bank and the Purchaser, on the one hand, and the Company, on the other hand, receiving any Confidential Information (the "**Receiving Party**") of the Company, or, the Bank and the Purchaser, as the case may be, use the Confidential Information for the following purposes: (A) fulfilling its obligations under this Agreement, (B) in order to comply with applicable law and regulatory, governmental, tax and financial reporting requirements, including in connection with the Bankruptcy Case or required by the Bankruptcy Court, (C) in connection with any government proceeding, (D) in order for the Receiving Party to exercise or enforce its rights and remedies under, or to the extent reasonably necessary or useful to exploit the benefits received by the Receiving Party and its affiliates under, this Agreement, and (E) to any of the Receiving Party's representatives, the Receiving Party's Affiliates and such Affiliates' representatives, in each case, who (x) has a need to know such Confidential Information in connection with the Receiving Party's performance of its obligations under this Agreement (clauses (A) through (E) collectively, (the "**Permitted Purpose**"). Any Receiving Party may disclose such Confidential Information only to its representatives who have a need to know such information for the Permitted Purpose and who have been advised of the terms of Section 3.1 and this Section 3.2, and the Receiving Party shall be liable for any breach of these confidentiality provisions by such representatives; *provided, however*, that any Receiving Party may disclose such Confidential Information to the extent such Confidential Information is required to be disclosed by any applicable law or Governmental Authority, in which case the Receiving Party shall promptly notify, to the extent reasonably practicable, the disclosing Party (the "**Disclosing Party**"), and take reasonable steps to assist the Disclosing Party in seeking applicable protective order with respect to such disclosure, and in which case the Receiving Party shall only disclose such Confidential Information that it is advised by its counsel in writing that it is legally bound to disclose under such applicable law or Governmental Authority; *provided, further*, that any Confidential Information that is a trade secret shall remain confidential until it no longer qualifies as a trade secret under applicable federal and state law.

3.3 **Exceptions.** Confidential Information shall not include information that, in each case as demonstrated by competent written documentation:

- (i) was already known to the Receiving Party other than under an obligation of confidentiality, at the time of disclosure by the Disclosing Party;
- (ii) became generally available to the public or otherwise part of the public domain after its disclosure to the Receiving Party other than through any act or omission of the Receiving Party or its representatives or Affiliates in breach of this Agreement;
- (iii) is subsequently disclosed to the Receiving Party by a third party without obligations of confidentiality with respect thereto; or

- (iv) is independently developed by the Receiving Party without reference, reliance or incorporation of Confidential Information.

ARTICLE 4

LIMITATION OF LIABILITY

4.1 **Limitation of Liability.** Other than with respect to the Purchaser's or the Bank's gross negligence, willful misconduct or fraud, or a material breach of its obligations hereunder, none of the Purchaser, the Bank, or their respective Affiliates or any employees, agents or service providers of the Purchaser, the Bank, or their respective Affiliates shall be liable to the Company from any losses suffered by the Company arising out of or connected with any act or omission of the Purchaser, the Bank or their Affiliates or any employees, agents or service providers of the Purchaser, the Bank or their Affiliates pursuant to this Agreement or with respect to the Services. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, NONE OF THE PURCHASER, THE BANK, OR THE COMPANY SHALL BE LIABLE TO ANY OTHER PARTY OR THEIR AFFILIATES OR ANY THIRD PARTY, FOR ANY CLAIMS, DEMANDS OR SUITS FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, INDIRECT OR MULTIPLE DAMAGES, FOR LOSS OF PROFITS, REVENUE OR INCOME, DIMINUTION IN VALUE OR LOSS OF BUSINESS OPPORTUNITY (IN EACH CASE, WHETHER OR NOT FORESEEABLE AT THE EFFECTIVE DATE), FOR ANY DAMAGES CALCULATED BY REFERENCE TO A MULTIPLIER OF REVENUE, PROFITS, EBITDA OR SIMILAR METHODOLOGY, CONNECTED WITH OR RESULTING FROM ANY BREACH OF THIS AGREEMENT, OR ANY ACTIONS UNDERTAKEN IN CONNECTION WITH, OR RELATED HERETO, INCLUDING ANY SUCH DAMAGES WHICH ARE BASED UPON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE AND MISREPRESENTATION), BREACH OF WARRANTY, STRICT LIABILITY, STATUTE, OPERATION OF LAW OR ANY OTHER THEORY OF RECOVERY.

ARTICLE 5

TERM AND TERMINATION

5.1 **Term.** This Agreement shall commence on the Effective Date and shall continue in full force and effect until the later of (a) the first date on which no further Services are required to be provided hereunder, and (b) the final wind-down and/or dissolution of the Bank, provided that this Agreement may be terminated by mutual written agreement of the Purchaser, the Bank and the Company at any time (the period from the Effective Date until such earlier date, the "**Transition Period**"). For clarity, all obligations of the Purchaser and the Bank to provide to the Company any Services under this Agreement shall cease upon the expiration of the Transition Period.

5.2 Accrued Rights; Surviving Obligations.

5.2.1 Accrued Rights. Termination or expiration of this Agreement for any reason shall be without prejudice to any rights that shall have accrued to the benefit of a Party prior to such termination or expiration. Such termination or expiration shall not relieve a Party from obligations that are expressly indicated to survive the termination or expiration of this Agreement.

5.2.2 Surviving Obligations. Without limiting the foregoing, ARTICLE 2 (Ownership of Assets, Intellectual Property and Rights of Reference), ARTICLE 3 (Confidentiality), ARTICLE 4 (Limitation of Liability), this Section 5.2 and ARTICLE 6 (Miscellaneous) shall survive the termination or expiration of this Agreement for any reason.

ARTICLE 6 MISCELLANEOUS

6.1 **Independent Contractor.** Each Party and each of its Affiliates shall each be an independent contractor in the performance of its obligations hereunder. Nothing contained in this Agreement will be construed as creating a partnership, joint venture, or agency relationship between the Parties or, except as otherwise expressly provided in this Agreement, as granting any Party the authority to bind or contract any obligation in the name of or on the account of any other Party or to make any statements, representations, warranties, or commitments on behalf of the other Party. All persons employed by a Party or any of its Affiliates are employees of such Party or its Affiliates and not of any other Party or such other Party's Affiliates and all costs and obligations incurred by reason of any such employment will be for the account and expense of such Party or its Affiliates, as applicable.

6.2 Governing Law, Jurisdiction, Venue and Service.

6.2.1 Governing Law. This Agreement shall be governed by and construed, and all disputes relating to or arising out of this Agreement or the transactions contemplated hereby shall be resolved, in accordance with the laws of the State of Delaware, excluding any conflicts or choice of law rule or principle that would otherwise refer construction or interpretation of this Agreement or the resolution of any dispute relating to or arising out of this Agreement or the transactions contemplated hereby to the law of another jurisdiction.

6.2.2 Jurisdiction; Jury Trial Waiver. The Parties hereby irrevocably and unconditionally consent to the exclusive jurisdiction of the United States Bankruptcy Court for the District of Wyoming (the "**Chosen Court**") for any action, suit or proceeding (other than appeals therefrom) arising out of or relating to this Agreement, and agree not to commence any action, suit or proceeding (other than appeals therefrom) related thereto except in such court. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR DISPUTES RELATING HERETO. EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 6.2.2.

6.2.3 Venue. The Parties further hereby irrevocably and unconditionally waive any objection to the laying of venue of any action, suit or proceeding (other than appeals therefrom)

arising out of or relating to this Agreement in the Chosen Court, and hereby further irrevocably and unconditionally waive and agree not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

6.2.4 Service of Process. Each Party further agrees that service of any process, summons, notice or document by registered mail to its address set forth in Section 6.3.2 shall be effective service of process for any action, suit or proceeding brought against it under this Agreement.

6.3 **Notices.**

6.3.1 Notice Requirements. Any notice, request, demand, waiver, consent, approval or other communication permitted or required under this Agreement (each, a “**Notice**”) shall be in writing, shall refer specifically to this Agreement and shall be deemed given only if delivered by hand or sent by email of a PDF attachment (with transmission confirmed) or by internationally recognized overnight delivery service that maintains records of delivery, addressed to the receiving Party at its address specified in Section 6.3.2 or to such other address as the Party to whom notice is to be given may have provided to the other Party at least five Business Days prior to such address taking effect in accordance with this Section 6.3. Such Notice shall be deemed to have been given as of the date delivered by hand or internationally recognized overnight delivery service or confirmed that it was received by email. 6.4 No Benefit to Third Parties. The covenants and agreements set forth in this Agreement are for the sole benefit of the Parties and their successors and permitted assigns, and they shall not be construed as conferring any rights on any other Persons.

6.5 Waiver and Non-Exclusion of Remedies. Any term or condition of this Agreement may be waived at any time by the Party that is entitled to the benefit thereof, but no such waiver shall be effective unless set forth in a written instrument duly executed by or on behalf of the Party waiving such term or condition. The waiver by any Party of any right hereunder or of the failure to perform or of a breach by any of the other Parties shall not be deemed a waiver of any other right hereunder or of any other breach or failure by said other Party(ies) whether of a similar nature or otherwise. The rights and remedies provided herein are cumulative and do not exclude any other right or remedy provided by applicable law or otherwise available except as expressly set forth herein.

6.6 Assignment. Neither this Agreement nor any Party's rights or obligations hereunder may be assigned or delegated by such Party without the prior written consent of the other Parties, and any attempted assignment or delegation of this Agreement or any of such rights or obligations by any Party without the prior written consent of the other Parties shall be void and of no effect; *provided, however*, that the Company may assign or delegate any or all of its rights or obligations hereunder to an Affiliate, without the prior written consent of the Purchaser. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and permitted assigns. Any attempted assignment or transfer in violation of this Section 6.6 shall be null and void.

6.7 Amendment. Except as expressly provided herein, this Agreement may not be modified, amended, altered or supplemented except upon the delivery of a written agreement executed by all Parties.

6.8 Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future law, and if the rights or obligations of any Party under this Agreement will not be materially and adversely affected thereby, (a) such provision shall be fully severable, (b) this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, and (c) the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom.

6.9 Counterparts. This Agreement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all such

counterparts together shall constitute but one agreement. Delivery of an executed counterpart of a signature page of this Agreement by electronic transmission shall be effective as delivery of a manually executed original counterpart of this Agreement.

6.10 **Entire Agreement.** This Agreement, together with the Schedules expressly contemplated hereby and attached hereto, the Purchase Agreement and the other agreements, certificates and documents delivered in connection with the Purchase Agreement or otherwise in connection with the transactions contemplated hereby and thereby, contain the entire agreement between the Parties with respect to the transactions contemplated hereby or thereby and supersede all prior agreements, understandings, promises and representations, whether written or oral, between the Parties with respect to the subject matter hereof and thereof. In the event of any inconsistency between any such Schedules and this Agreement, the terms of this Agreement shall govern.

Amendment No. 1 to Amended and Restated Share Purchase Agreement

**AMENDMENT NO. 1
TO
AMENDED AND RESTATED SHARE PURCHASE AGREEMENT**

This Amendment No. 1 (this “Amendment”) to Amended and Restated Share Purchase Agreement, dated as of December 31, 2025 (the “Purchase Agreement”), is made and entered into as of January 5, 2026, by and between Mode Eleven Bancorp, a Wyoming corporation (the “Company”) and Greg Jacobson, an individual (the “Buyer”, and together with the Company, each, a “Party”, and collectively, the “Parties”). Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Purchase Agreement.

WHEREAS, pursuant to Section 8.11 (*Waiver and Amendment*) of the Purchase Agreement, the Parties desire to enter amend certain provisions of the Purchase Agreement as set forth herein.

NOW THEREFORE, in consideration of the mutual covenants and agreements contained in the Purchase Agreement and this Amendment, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Each of the Parties acknowledges and agrees that:

- (a) clause (a) of Section 5.16 (*Bankruptcy Filings*) of the Purchase Agreement shall be deleted in its entirety and replaced with the following:

“(a) On or before January 5, 2026, the Company shall file (i) the Sale Motion; and (ii) a motion to expedite the hearing on the Sale Motion.”

- (b) clause (a) of Section 6.5 (*Termination*) of the Purchase Agreement shall be deleted in its entirety and replaced with the following:

“(a) This Agreement may be terminated by either of the Purchaser or the Company immediately, upon delivery of written notice to the other party, in the event that the Sale Order is not entered by February 4, 2026 or Closing has not occurred on or before April 22, 2026 (the “**Outside Date**”); provided, that if the conditions to the Closing set forth in Section 6.3(c) have not been satisfied or waived on or prior to such date but all other conditions to the Closing set forth in Article 6 have been satisfied or waived (other than those conditions that by their nature can only be satisfied at the Closing (so long as such conditions are reasonably capable of being satisfied)), then the Company may, in its sole discretion, extend the Outside Date one or more times to a date no later than May 22, 2026, and such date, as so extended, shall be the Outside Date; provided, further that the terminating party shall only be entitled to exercise such right of termination if the terminating party is not then in breach of any representation, warranty, covenant or other agreement contained in this Agreement such that any condition to Closing set forth in Article 6, as applicable, would not have been satisfied.”

2. This Amendment is limited to the matters specifically set forth herein and subject to the terms and conditions herein. Each of the Parties acknowledges and agrees that, except as expressly set forth in this Amendment, this Amendment does not and shall not, by implication or otherwise, waive, limit, impair, amend or otherwise modify any rights or remedies of any Party under the Purchase Agreement or alter, modify, amend or in any way affect any of the terms, obligations or covenants contained in the Purchase Agreement, and that all terms and conditions of the Purchase Agreement, as amended by this Amendment, shall remain unaltered

and shall be given full force and legal effect, and nothing in this Amendment shall be deemed to constitute a waiver or consent to any further or future action on the part of any party to the Purchase Agreement.

3. This Amendment, to the extent signed and delivered by means of a facsimile machine or electronic transmission in portable document format (pdf), shall be treated in all manner and respects as an original thereof and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person.
4. The provisions of Sections 1.2 (*Interpretation*), 1.3 (*Governing Law*), 8.3 (*Notices*), 8.6 (*No Rights Against Nonparites*), 8.9 (*Assignability*), 8.10 (*Severability*), 8.11 (*Waiver and Amendment*), 8.12 (*Benefit*), 8.14 (*Counterparts*), 8.15 (*Specific Performance*), 8.16 (*Consent to Jurisdiction*), 8.17 (*Waiver of Jury Trial*), and 8.18 (*Fiduciary Obligations*) of the Purchase Agreement are hereby incorporated herein by reference and shall apply to this Amendment *mutatis mutandis*, and to the Purchase Agreement as modified by this Amendment, taken together as a single agreement, reflecting the terms as modified hereby.
5. After giving effect to this Amendment, unless the context otherwise requires, each reference in the Purchase Agreement to “this Agreement”, “hereof”, “hereunder”, “herein”, or words of like import referring to the Purchase Agreement shall refer to the Purchase Agreement as amended by this Amendment, provided that references in the Purchase Agreement to “as of the date hereof” or “as of the date of this Agreement” or words of like import shall continue to refer to December 31, 2025.
6. The Purchase Agreement (and all related documents referred to therein, including the Disclosure Schedule and the schedules and exhibits thereto), the Confidentiality Agreement, this Amendment and all the other documents, instruments, certificates and agreements specifically referred to herein or in the Purchase Agreement or Confidentiality Agreement or delivered pursuant hereto or pursuant to the Purchase Agreement or Confidentiality Agreement shall constitute the entire agreement between the Parties with respect to the subject matter set forth herein and shall *supersede* all prior agreements and understandings, oral and written, between the Parties with respect to such subject matter.
